# Hot Infusion Tea

*The popularity of tea across the Indian subcontinent is well documented - which means sourcing the very best examples is a job we entrust only to Henrietta Lovell of the Rare Tea Company. An old friend of Chet's from his time at Mugaritz, Henrietta's choices of the finest, sustainably-produced and fair trade of artisan teas can be found below.*

<b>Home Made Chai</b> <i>Chet's family recipe</i>	8

# BiBi Coffee

*We source our coffee beans from Mysore, Karnataka before roasting them to our recipe in London. If legends are to be believed, coffee made its way to India by virtue of seven beans smuggled out of Arab-ruled Ethiopia in the 1670s. We use a powerful, spice-driven blend which makes use of hand-harvested and selected Arabica and Robusta beans, grown near Mysore, Karnataka. We recommend enjoying it as an espresso or with a touch of milk as a macchiato.*
