

BiBi

ਬੀਬੀ

We believe that Indian cuisine deserves far more than a bottle of lager

Wine List

Inside this list is a carefully curated selection of fine wines that compliment the nuance of the BiBi menu, each one reflects everything we love about restaurants: working with world class suppliers and producers to source the best wines with the same vigour with which we curate our food.

Within this selection, you'll find a genuinely thoughtful collection of bottles that pair with different moments of our menu. In regions where the wines might not classically pair with the flavours of Indian cuisine, we have opted to showcase wines with more restraint and elegance, from makers with a gentle touch, or from older vintages where the nuance of both wine and food can be enjoyed together.

We hope you enjoy browsing our cellar as much as we enjoy building it.

LUNCH PAIRINGS

'Baldev' £85

'Ved' £275

DINNER PAIRINGS

'Baldev' £145

'Ved' £455

We offer two different alcoholic pairings at BiBi, each inspired by one of Chet's grandfathers. Baldev was an enigma, impossible to pin down as he travelled the country on his trusty Royal Enfield motorcycle, and lived by his own rules. Meanwhile Ved, who wouldn't be seen leaving the house in anything but a three-piece suit and a head full of Brylcreem, was much more classical. Each of these pairings reflect these men and their approach to life; Baldev's is full of esoteric styles whilst Ved's pairing showcases some of the world's most rare and iconic wines.

Sparkling

In exploring the gastronomy of Indian flavours, we become too familiar with the colonial history of India and its neighbours. Therefore, we have chosen to acknowledge the movement of vitis vinifera (the European grapevine) by organising, as best we can, our bottles first by style, and then by the chronology in which the vine was introduced to them by their colonisers.
